President's Message

Over the past 83 years, hundreds of thousands of dollars in scholarship money has been awarded to deserving students involved in all levels of the California Lions Student Speaker contest. The awarded scholarship dollars have enabled students to attend prestigious schools and prepare themselves for outstanding futures.

This year's topic is, "Homelessness in California. What is the solution?" It's another great and timely topic.

The Purpose of the Contest is:

- To provide an opportunity for competitive public speaking among students on a subject of vital interest to the contestants and to the American people as a whole.
- To stimulate self-expression and independent thinking.
- To present to the public through the student speakers contests the problems surrounding the maintenance of this commonwealth as a free nation.
- To consider the means at our disposal of meeting the present and future world problems.

Students entering the contest shall prepare a talk to be as close as possible to, but not over, ten minutes, nor less than five minutes delivery time.

Our club contest will be held Thursday, February 6th and will promptly start at 7 pm. Our student speakers are "Diamonds in the Rough" at this level. Please come and support our student contestants.

Lion President
John Newlin

HAPPY NEW YEAR

What a fun and wonderful night! Lion Gertie and I would like to thank everyone who came out and helped us bring in the New Year. I have a few pics of the event, and as usual I got busy dancing so I didn't get any with the floor full of people. Guessing I'd say there was about 50. Every time I tried to get a head count for champagne, my sweet hubby grabbed me to dance. Thank you to all who brought appetizers. I see good things in 2020. From our Lions family to yours, we wish you all health, love, and good fortune in our New Year.

There was a motion to donate \$250 to a local organization. The motion was passed; but unfortunately, I didn't get the name. I will make a correction to the minutes when I get the information.

PROPOSED CHANGE OF MEETING HOURS:

There is a proposal from the Board of Directors that the General Meeting hours be changed from 7:00 p.m. to 6:00 p.m. Many members have requested the change due to the lateness of the dinner hour and the length of the meeting. As stated in the constitution and by-laws of our club, this change requires the agreement of the membership; therefore, a vote will be held at the General Meeting on Thursday, February 20, 2020 on the proposal.

If you are unable to attend the meeting, you may email your vote to the Secretary @ sally.carter1944@sbcglobal.net not later than Wednesday, February 19, 2020.

After the voting has been held, notification will be made via our monthly bulletin of the results and the effective date.

Thank you for your consideration.
