#### Old Business:

Lion Roberta advised that Convention had been fabulous & that our club was hot! The camaraderie with other clubs, the Food Fair, Fashion Show; Lions Janet & Susie were great models, International board member's speeches to the final raffle – was all a blast. Lion Linda said it was the best ever & thanks to Lion John for the activities. Lions Paul & Roberta along with the Dunnings from Chico Breakfast club won 1<sup>st</sup> place @ the Scavenger Hunt & Lions Janet, Linda, Joni & Tyler placed 2<sup>nd</sup>.

#### New Business:

Lion Roberta discussed that Foothill Inter-

mediate School's Principal will be @ the next meeting. They are in need of a partner to help with a new stage as theirs is decrepit. Maybe a Fashion Show & luncheon in August or the fall. She would chair & need models. Lion Peggy suggested in the fall as cooler.

Lion Linda advised that Certificates are available in the bar with or without a picture for the Veteran's Day BBQ. On behalf of Lion Cindi, thanks to all for contributions & working the spaghetti fund raiser. 5/14 having a meeting @ 6:30.

Lion Linda advised that the Mother's Day Brunch still has tickets @ \$25. Starts @ 10am (due to misprint in the bulletin-so time will be honored) Hall will be beautiful.

Lion Susie has 1<sup>st</sup> WHGD meeting on 5/8 @ 6pm. If anyone has "new" ideas, please bring them. May 31<sup>st</sup> is the club's 30<sup>th</sup> Anniversary Party & April and May's Birthday dinner. Ordering steaks on 5/28.

Lion Gerry advised working on the signs for Cow Paddy Golf & the official date is 6/22 & all should be ready to start asking for sponsors by next week. \$8 for a Mexican lunch. Lion Mary stated it would be @ Blane's & she went a couple of years ago, never played golf before & had so much fun.

Lion Roberta stated that Kathleen Hanson, Principal of Foothill Intermediate would

be @ the next meeting along with Chico Breakfast Club to promote the All Star Football Game. The 1<sup>st</sup> meeting in June is the awards dinner & the 2<sup>nd</sup> meeting is the installation of officers.

Lion Janet pointed out that we won ribbons @ convention; 1<sup>st</sup> place for our bulletin, 2<sup>nd</sup> place for our scrap book & top club.

Lion Roberta & the district & county supervisors will be judges. When she started @ Foothill 25% couldn't graduate; now down to 9% & hoping due to triage this will be down to 3% by next month. Which brings their need for a partner or partners. The stage is over 30 years old & will not contain the number of kids graduating. Due to school regulations they must order

from certain vendors; cannot be built & will cost \$15k. Lion Gertie suggested fund raisers such as the Washington D.C. Trips. Will discuss & get back to her.

Lion Susie reminded all that Lion Lisa's babyshower is on 6/2. There'll be a \$ tree & they like the 49ers & pink camouflage. Thanks to all that have signed up for WHGD. Lion John will

be doing hot wheel racing; Lion Casey gave kudos to Lion John for the racing; he's currently the reining champ & looking forward to competing. Elvis may be here, a new band with the drummer being our own Dave Mincer. Needs raffles, will gladly take \$ or if someone will volunteer to ask a business. Lion Linda serving breakfast for \$5 & the day opens to the public @ 11am. Reminder that prescription sunglasses are in the bar.

Lion Roberta thanked Kathleen Hanson for bringing glasses.

### **Board Meeting Minutes 5/23/13**

Meeting called to order by President Lion Roberta at 6:09 pm.

#### **NEW BUSINESS:**

Lion Roberta introduced Karen Kingle for Zumba classes. She'd like to use our club starting off 1 night or morning a week for an hour. It is Latin music inspired dance & exercise. Has 6 persons & hopes to have at least 12. Has insurance & can list the club as an additional insured. MSP to offer her Wednesday nites; to start 6/12 @ \$20 a class. Lion Colleen to let her know & obtain rental agreement & insurance.

Lion Susie presented the May financials. Unrestricted funds in Admin account \$1,157.25 & \$4,597 in the Community account. MSP to accept the reports. She is also still in need of a directory; Lion Paul promised to bring in his.

Lion Roberta judged the 8<sup>th</sup> grade speeches today @ Foothill Intermediate; "Whom in their life meant the most" Discussed the partnership with the school for their stage. It's not structurally sound & they've outgrown it. Could have a fund raiser or allow them to utilize our facilities to do the same. MSP to table @ this time.

zenship Awards; 5 @ \$50. MSP & Lion Jean Marie can print up the Certificates. Lion Gertie will be on vacation 6/18-7/10. Discussed current commitments & duties. 4H on 6/29 & Party on 7/6 9am-8pm with decorating the nite before. Would need someone to let them in, close up & check for cleanliness/damage. Lion Colleen advised dropping Lions Cheryl Theron & Karen White due to non-payment. As of 7/1 we will no longer be advancing dues; how would the board like to handle. Will be in the bulletin again & will have a list of all that are due at the next meeting. Requested to table janitorial duties at this time due to length of meeting. Cow Paddy Golf is \$25 per sponsor & passed out forms. Lion Joni stated we as a club should sponsor one; MSP to donate \$100 to event. Problem with Brown's Gas-when I had called them about the tank I was advised it was on an old program; lease to own & we owned it. Now that I have called to cancel their services, they have advised that we don't own our tank & it will be \$700 to purchase. I have written them a letter advising we will need time to research this & how disappointed I am with their unethical behavior. Lion Jill to

advise whether the tank is still at Yuba Feather & I will contact Herger & see if they will still move it for free.

Lion Susie wanted to know when we might have the yearly rental report; info on rentals & free events. Lion Gertie to talk to Lion Debbie B. regarding providing. Dr. Bradley has referral forms that need to be utilized with regards to eye exams; has a bill for \$96.82 for Springs but no form; Lion Gertie to provide.

# what happened in may?

Our HAPPY **MOTHER'S DAY** was a *delicious* celebration. We had a sold-out crowd! Thanks to all who helped set-up, decorate, shop, cook, test, serve, arrange, grill, poach, pour, pacify, dip, pin, sit, eat, growl, schmooze, endure inappropriate advances, drink, wash, inventory, clean-up, box, iron, shine, hang, chop, fry, ice, greet, panic, bounce, boil, plate, smile, escort, and enjoy. It was a labor of love!

~~Lion Jean Marie

FUNDRAISER FOR LOCAL FAMILY was hosted by our Club and over \$1,000 was raised to benefit the Madison family struggling with many medical bills and a totaled vehicle due to a recent auto accident. This was for **Lion Shari McKim's sister**, brother-in-law, and niece and it always amazes me how the community steps up when someone is in need with open pockets. The Club furnished dogs and burgers and others brought salads and desserts. Thank you everyone for your generous donations. Wishing the family a speedy recovery.

BV 4-H GROUP and their Advisors did a fantastic job cleaning out all the weeds in the playground, it looks great. We have a superb group of young people volunteering their time for community service which benefits our Club in many way.

Please **"thank them"** when you get the chance.

ANNIVERSARY PARTY was celebrated in conjunction with our Birthday Dinner. Delicious Rib Eye steaks and we had KARAOKE—what a kick. We really have some talented members.

We have been serving the local community for 30 YEARS. **Whether you've been a member all that time or only a few months it is something to be very proud of and I've heard MANY times how much people in the community appreciate us being here. SO, keep up the good work.**

# THIS & THAT

## GARDENING NEWS FROM BALD MTN NURSERY

**It's about time to do the second fertilizing of the season.** A balanced fertilizer is good for most things in your landscape (16-16-16 is always a good **choice**). **If you're organic, 5-5-5 works really well.** Azaleas and Rhododendrons and Camellias need an acid fertilizer. Use one formulated for them specifically and fertilize them three times after they are done blooming each time thirty days apart. Don't fertilize late in the season. This will cause growth and they may not bloom the following year. Citrus should be fertilized monthly with a citrus fertilizer through the growing season. This will help provide steady growth and good green healthy leaves. For roses, use a rose fertilizer or a systemic rose fertilizer. The systemic will prevent aphid problems. Continue to spray roses with a fungicide regularly to prevent black spot, rust, and powdery mildew. You might also need to mix some deer repellent in with it to keep the deer off the roses. **From now on it's water, water, water. Happy Gardening.**

## FOUR WAYS TO FIGHT ARTHRITIS

1. Enjoy a Cocktail—Women who had more than 3 alcoholic drinks a week over 10 yrs reduced **their RA risk by about half. Oh yeah, don't over-do.**
2. Skip Sodas—Sugary soft drinks contribute to weight gain and the progression of knee osteoarthritis, especially in men.
3. Pass on red meats—Foods high in purines, compounds in protein-rich foods (oily fish, spinach, mushrooms, beans, peas) can make attacks of gout (inflammatory arthritis) almost 5 times more likely.
4. Put a Cherry on Top—Eating cherries can lower the risk of a gout attack. Eat 10 to 12 every other day to lower risk.

## TRUE OR FALSE ??

1. Your nose grows when you lie?
2. Sleeping can make you less sensitive to pain?
3. Milk Drinkers are more likely to be geniuses?
4. Air pollution can make you cranky?

FALSE—But your nose's temperature does rise when you lie.  
TRUE—Sleeping 10 hrs a night increases the length of time that people could keep a finger on a hot source.  
FALSE—However, the nations that consume the most milk have the most Nobel Prize winners.  
TRUE—People who live in areas with lots of air pollution are not as happy as those that breath fresher air.

## SUNSHINE REPORT

LION DIANA WHEELER — is your  
Sunshine Reporter—Please get all your  
input to her - 741-1502

This month has been pretty healthy except  
for Lion Irene Dani decided she wanted to  
go for a ride in that vehicle that has all the  
shiny lights, thank goodness the Doc said  
**she's gonna be OK.**

Our hearts go out to the all the Okla-  
homa residents that lost SO MUCH.

## Words from your President:

Hi Fellow Lions:

The month of May went by so  
fast! Good attendance and fun at our  
general meetings, and how about Lion  
Susie's scrumptious homemade black-  
berry cobblers which were auctioned  
off! Good meetings in preparation of our upcoming Wild  
Hog Glory Daze on June 8th... as well as good participa-  
tion and meetings for the upcoming Veterans Day honor-  
ing veterans on July 4th. All you Foothill Lions working  
hard out there for these events are really to be com-  
mended! Also, don't forget the upcoming Cow Pasture  
Golf on June 22nd...get your partners ready for that fun  
day! Special thanks to all those who put on and attended  
the "pool tournaments" on Sundays -- great outreach!

Unfortunately, I was not able to make the Mother's  
Day brunch celebration, and yet, I know it was enjoyed  
by all in attendance -- our hall decorated better than any  
classy restaurant, superb food and service by our Lions  
gals and guys!

Our Lions had a great fundraiser for Lion Shari  
McKim's family who were in a very bad car accident and  
are/were in need of financial assistance to help with  
their medical treatment--hats off to those putting this  
on and attending.

I hope Foothill Lions did not forget May 31st to cele-  
brate our April and May birthdays as well as our Foothill  
Lions Club 30th anniversary party!!

Especially looking forward to the June festivities---  
Wild Hog Glory Daze June 8th; Lions Citizenship Awards  
for the 8th grade graduation Cow Pasture Golf June  
22nd. And remember, awards dinner first meeting in  
June and induction of new officers the second meeting in  
June! Where has this year gone? Feel proud for our  
Foothill Lions have so much activity! Always remember  
"Lionism Rocks"... Submitted by President Lion Roberta

**NEEDED—Fri Nite Bartender—Toby is taking a much needed rest. If anyone  
would like to step up and give it a try, it would be greatly appreciated. Training  
provided and it can be fun. Lion Mike, Bar Manager**

## This Month's Message is:

**The most important things in life, aren't "things". (Just Ask Oklahoma)**

Lucky Lion Elden, finally comes to a meeting and takes home the 50-50 for \$38.00. By the way, it was great to see you and Lion Barbara.

Well, well this little munchkin is starting the year off right, got a new job, has an admirer from across the "pond", elected Lion Pres, and now she wins the 50-50 for \$32.00. Congrats Lion Kim.

**ANSWER** to quiz on page 6 (Did you get it?)  
Cheers

**VETERAN'S MEMORIAL WALL** has begun thanks to the efforts of Lions Cindi, Mike, and Linda. It is going to be amazing and something to be VERY proud of. If you would like your or **your Veteran's name placed on the wall please** see Lions Cindi or Linda. Our most sincere thanks goes to Eric Winona and his helpers for donating their time and effort in building

the cement structure. Over the years Eric has donated many hours to the good of our Club and we want him to know how much we appreciate him.

FROM THE EDITOR:

My last edition, and I just want to say "Thank You" for letting me spin my stories with you every month for the last 4 years. I hope you have enjoyed it as much as I have. I know I got kinda corny at times; but, just tried to have a little something for everyone now and then.

**I can't thank you enough for the kind words and praise over the years, believe me they kept me going month after month. But, I'm afraid I need a break and you do too.**

You need some new material and new ideas and I know Lion Sally will bring them to you. Please give her as much encouragement as you've given me. I'm not going anywhere, just a trip now and then.

Thanks again and it was MY privilege to be your Bulletin Editor.

LION SUSIE TRUNDY, Editor

The Lion Wives finished up their remodeling of the laundry room @ the Salvation Army Depot, looks great. Delores, Lynette, and Bonnie thank you for all you do on behalf of our Lions Club.

**LAUGH LINE**—Two elderly men had never been ice fishing and decided to take a trip to Canada and try their luck. They stopped at a bait shop for supplies, including an ice pick. Two hours later, one of the men returned to the store for 2 more ice picks. Another hour, the other man came into the shop, teeth chattering, and said. "We're going to need all the ice picks you've got!" The owner couldn't believe it. "Is the fishing that bad?" he asked. "Can't say," the man replied. "We're still trying to get the boat in the water!"
